Find Mamie's Famous Cheese Wafers at The Fresh Market.

SLICE, BAKE, PARTY!

Be prepared for both well-planned events and impromptu parties by stocking Mamie's Famous Cheese Wafers in the freezer for a speedy, delectable nosh. The slice-and-bake cheddar-pecan appetizers are available at **The Fresh Market**, or can be ordered on mamieswafers.com. Company co-owner Barkley Shreve (whose mother, Mary Byrd, is Mamie), offers some creative ideas. "You can wrap the dough around an olive and bake it. I've never tried to spread the dough in a pie pan to make a savory crust, but apparently that works also. Some people like them with cream cheese and hot pepper jelly. We have also tried pressing the dough in small muffin cups for a preserve filling," she says.
