Mamie's Famous Cheese Wafers

If it is cheese you want then cheese you shall have. Containing no preservatives and no less than 35 percent real cheddar cheese, Mamie's Famous Cheese Wafers are the frozen snack ready to pop in your mouth after baking for 12—15 minutes. The cheese wafers are packaged as a 14-ounce roll of dough wrapped in FDA-approved polyethylene, and must be kept frozen until used. The bakers at Mamie's boast a delicious smell while baking, providing a quick, easy and convenient hors d'oeuvre. There are 14 locations throughout Mobile and a few places in Louisiana. The wafers are produced at Spring Hill Kitchens, LLC, located in Mobile at 3585 Desirrah Drive. Call 251-656-0811 to find the closest location to purchase these treats.
